adi Consult continues to expand its network: In the coming months the company expects to form a joint venture in Switzerland under the leadership of Norbert Raab. Raab, an industry insider, is currently adi Consult's representative in Lugano.

Norbert Raab started his career in the world of logistics in the seventies with Danzas, where he was continuously successful through 2005. He held various positions including Managing Director of Danzas GmbH Deutschland. As Member of the European "Eurocargo" Board, Norbert was appointed Managing Director of "Eurocargo" Danzas AG Switzerland in 2000. During his career Mr. Raab gained specialized knowledge and experience in ocean freight, fairs and exhibitions, projects, as well as overland transport.

Via his company INORATEAM, Mr. Raab has consulted for various European logistics companies since 2005. INORATEAM and adi Consult have now decided to combine their know-how in form of a joint venture.

"Through this new joint venture, we will be able to assist our customers with more resources and even higher effectivity and it will allow us to penetrate the Swiss market much better. In Norbert Raab and his company we have found a highly competent partner who will represent our interests very well", so Hans Willam, Managing Partner of adi Consult.

PRESS RELEASE

The company has aligned all its activities with the demands of the global transportation markets. Accordingly, Personnel and Management Consulting, Mergers and Acquisitions, SWOT analyses, strategic planning, validating and establishing business plans, advising companies on optimizing or rebuilding their organizational structures, productivity benchmarking and improvements are all part of the adi's portfolio. Their solutions are realistic and practical and if desired adi will implement them too. The vast industry specific experience accumulated by adi's management and staff while working in operational and top level positions is a great foundation for their customer's success.
