Ilona Neff started her career in the freight industry almost 15 years ago, during which time she has lived and worked in Australia and Great Britain amongst others. During the past few years she worked in the Czech Republic for DM Express as their Marketing and Operations Manager. This is when Ilona established a substantial network in the logistics industry to which she offered her experience in company structural matters. This specialty knowledge will be one Ilona's focal offerings in her new position with adi.

The company has aligned all its activities with the demands of the global transportation markets. Accordingly, Personnel and Management Consulting, Mergers and Acquisitions, SWOT analyses, strategic planning, validating and establishing business plans, advising companies on optimizing or rebuilding their organizational structures, productivity benchmarking and improvements are all part of the adi's portfolio. Their solutions are realistic and practical and if desired adi will implement them too. The vast industry specific experience
